

Bermuda Market Intelligence Report

Modular Steel Structure / Prefab Building Opportunities
Taiyi Cross-Border Trade Intelligence 2026.05.25

Executive Summary

Bermuda presents a niche but high-value opportunity for Chinese modular steel structure manufacturers. Key drivers include:

- ◆ Hurricane-resistant construction demand
- ◆ Tourism infrastructure upgrades
- ◆ Affordable housing shortage
- ◆ 100% import dependency for building materials

Market Overview

~64K

POPULATION

\$120K

GDP PER CAPITA

BMD

CURRENCY (1:1 USD)

English

LANGUAGE

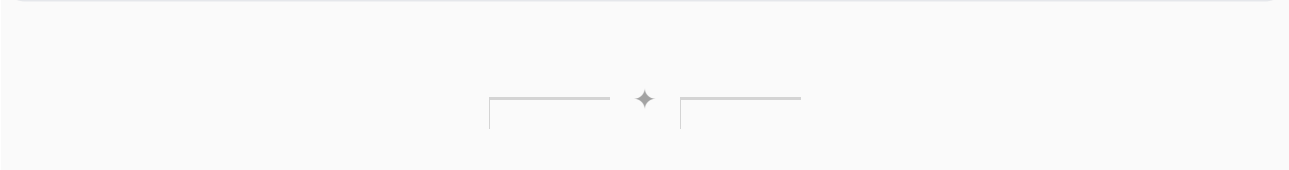

BS

BUILDING CODE

Subtropical

CLIMATE

Metric	Value
Population	~64,000
GDP per capita	~\$120,000 (Top 5 globally)
Currency	BMD (1:1 pegged to USD)
Language	English
Building Code	British Standards (BS)
Key Industries	Insurance / Reinsurance, Tourism, Financial Services
Climate	Subtropical, Atlantic hurricane zone

Opportunity Matrix

Segment	Product Fit	Priority	Est. Annual Demand
Hurricane-resistant housing	Steel structure + modular	P1	\$50-80M
Hotel / Resort construction	Prefab modules, steel frames	P1	\$80-120M
Affordable housing (govt)	Foldable container houses	P2	\$20-40M
Commercial (insurance offices)	Steel frame + cladding	P2	\$30-50M
Disaster relief shelters	Rapid-deploy modular	P2	\$10-20M

Top-line opportunity: Combined P1 segments alone represent **\$130-200M** in annual addressable demand.

Target Companies & Contacts

Comprehensive mapping of all identified Bermuda market players across 4 categories.

1 Government Agencies

AGENCY	FOCUS	WEBSITE	CONTACT METHOD
Ministry of Public Works	Infrastructure procurement	gov.bm	Procurement portal / Phone
Bermuda Housing Corporation	Public housing projects	bhc.bm	Website contact form
Bermuda Tourism Authority	Hotel development incentives	gotobermuda.com	+1 441-990-802-5367

2 General Contractors

Bermuda Industrial Services (BIS) Commercial & Industrial

SSL issues

Cubit Limited Commercial / Residential

SSL issues

Website: cubit.bm · Search Google: "Cubit Bermuda"

Somner Buildings Residential & Commercial

SSL issues

Website: somnerbuildings.com · Check Bermuda Yellow Pages

Johnston & Associates Project Management

Local contractor

Website: johnston.bm · Check Royal Gazette business section

3 Developers & Property

COMPANY	FOCUS	WEBSITE
Bermuda Land Development Co (BLDC)	Housing Development	bldc.bm
Mello Properties	Real Estate Development	melloproperties.com

4 Architects & Engineers (Specifiers)

COMPANY	TYPE	WEBSITE
OBM International	Architecture (Hotels / Resorts)	obmi.com
MBB Architects	Commercial Architecture	mbbarch.com

LinkedIn Discovery Strategy

Since direct scraping from this server is limited, use these search queries from your own LinkedIn account:

```
# LinkedIn search queries for Bermuda market
site:linkedin.com "Bermuda" "Construction" "Director"
site:linkedin.com "Bermuda" "Development" "CEO"
site:linkedin.com "OBM International" Bermuda
site:linkedin.com "Cubit Limited" Bermuda
site:linkedin.com "Bermuda Housing Corporation"
```

Recommended LinkedIn target roles:

Director of Procurement
Ministry of Public Works
CEO / Managing Director
BIS, Cubit, Somner
Head of Development
BLDC, Mello Properties
Principal Architect
OBMI, MBB

Recommended Action Plan

1

Research

Week 1

- ◆ LinkedIn search for above companies → identify decision-makers
- ◆ Contact Bermuda Tourism Authority → incentive programs for hotel development
- ◆ Monitor Royal Gazette (royalgazette.com) for construction tenders

2

Outreach

Week 2-3

- ◆ Cold email / LinkedIn message to identified contacts
- ◆ Pitch angle: Hurricane-resistant steel structures at **25-40% cost advantage**
- ◆ Include: Certification matrix (CE → BS standards), case studies from similar island markets

3

Follow-up

Week 4+

- ◆ Virtual meetings with interested parties
- ◆ Send product catalog and reference projects
- ◆ Discuss sample shipment or factory visit

Logistics Notes

ROUTE	TRANSIT TIME	EST. COST (40FT CONTAINER)
Shanghai → New York → Bermuda	35-45 days	\$5,000-7,000
Shenzhen → Miami → Bermuda	30-40 days	\$4,500-6,500

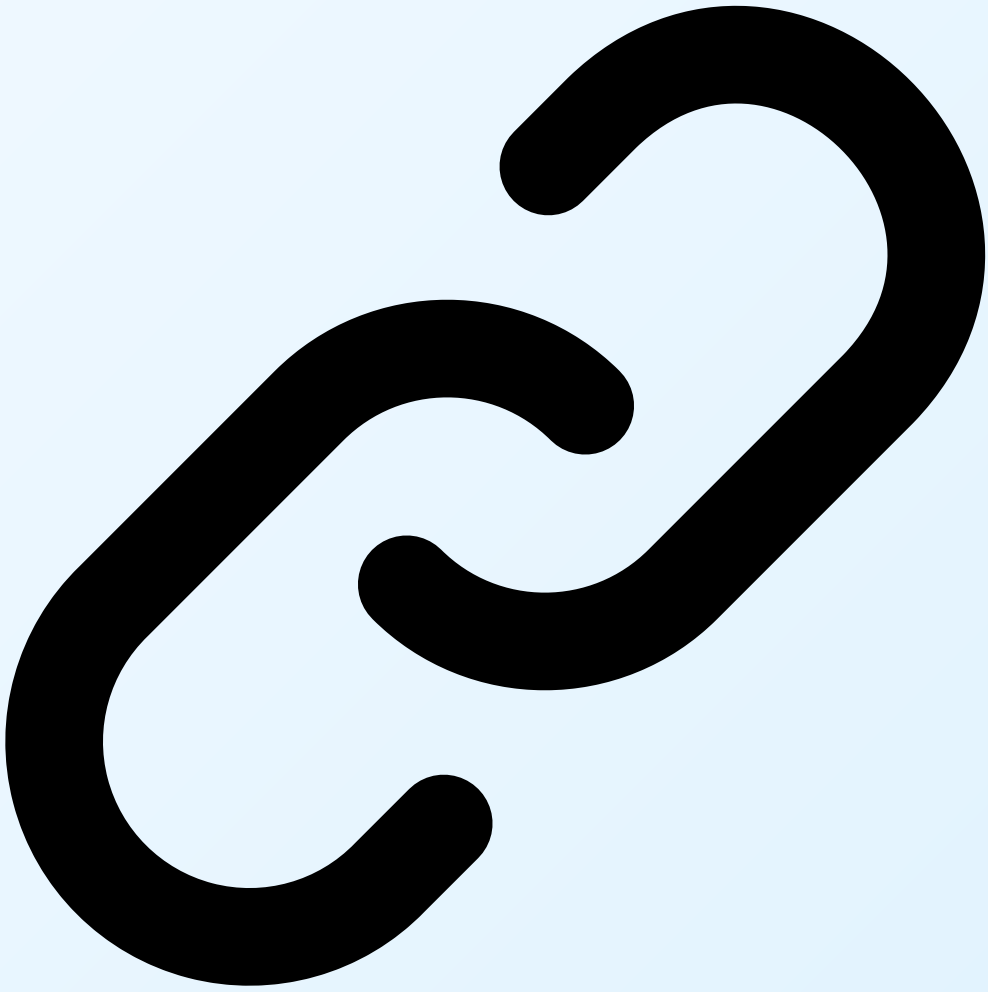

Key considerations:

- ◆ All building materials must be imported — **zero local competition**
- ◆ British Standards certification required (CE can be bridging step)
- ◆ Hurricane season (June-November) affects construction timeline
- ◆ No income tax in Bermuda — favorable for establishing presence
